Staff Debrief with Aaron

This past summer has been a great summer for the Wyoming FCA ministry and for me personally. I served as the Camp

Director for the first time and saw God

bless the 2004 Coed Sports Camp in an incredible way. Through prayer time and amazing staff support, we put together Wyoming's largest camp to date with over 320 campers, coaches, staff, and children in attendance. A special thanks to all those who support FCA with your prayers and finances enabling these kinds of opportunities to take place.

On a personal note, I have recently been married! Praise God for an awesome wife! On July 25 I was married to the former Stacy Toups of Casper, and current UW student. I actually met and got to know Stacy through FCA at UW and through my local church, and am extremely blessed with being united with her.

I continue to be excited for what God is going to do through the FCA ministry during the 04/05 school year. May God have his hand upon this ministry, and may he bless you and your family,

Respectfully,
Aaron Frude af rude@fca.org

Delight yourself in the Lord and He will give you the desires of your Heart.

Students Kick Off FCA Year

Nearly 60 individuals came out to the Cheyenne FCA Kickoff meeting. Students participated in activities and heard a short challenge from Aaron about Faith Commitment and Accountability within FCA. S'mores were the snack of the evening and the students broke into their huddles for a huddle update. The meeting closed with some worship songs around the fire lead by Mark Kraft.
